

STUDENT CARD

Akademia Hollywood

The student card is UNIQUE ID card linked to your pike13 account, for each student attending classes at the Akademia Hollywood.

The card contains a **QR code** on its back, which you must scan on the iPad at the main office before each lecture to complete your “Check-in” before the class begins.

Upon scanning, your attendance is automatically recorded in our portal Pike13.

The card has your unique number, and if you forget it, you can still “check-in” using your unique number.

In case of loss, you can use just the number or purchase a new card (400 Lekë).

Upon discontinuation of lessons, we kindly ask you to return the card.

Enjoy!
